DONATION / FUNDRAISING REQUEST FORM

Thank you for getting in touch with Tap & Barrel Restaurants for this request.

One of our core values is to be a good member of the community and as such, we proudly support many local organizations through in-kind donations and support for fundraisers and auctions.

While we love to give back to our community and do our best help out as much as we can, we simply cannot accommodate every request for donations and fundraising efforts. For this reason, if we support your request this year, please do not contact us again until the following year – the reason for this being that we want to help out as many causes as we can. Thanks again for your interest!
